who is this man?

DATE Saturday 3 November

TIME 10:30-4:30

VENUE Holy Trinity Platt

No figure in human history has been the subject of more intrigue than Jesus of Nazareth.

Like the Old Testament Prophets before Him, He taught God's people from God's Word.

Like the Old Testament Priests before Him, He came to stand in the gap between humanity and God.

Like the Old Testament Kings, He came to rule justly over God's people and the whole world.

Jesus... Who really was He? What did He teach? Why do so many people follow Him? Why did He die so young? What, if anything, does He mean for us today?

Sound is a day of great Bible teaching as well as music, games, meeting new people and having fun for young people aged 14-18 and their leaders.
